January 2010

Dear Friends,

It is with sincere gratitude in our hearts to the Lord for His Blessings. We enjoyed a wonderful time as we celebrated the Birth of our Savior this Christmas with the men and with family and friends. We had the joy of having all four of our children and their families home for Christmas. Because our son, Brian, was in Iraq last year we were especially thankful for the Lord's goodness in giving us time to all be together.

Our Lord is so faithful! We are grateful to Him that His mercies are new every morning and that He daily meets our needs. We are also thankful for your generosity and faithfulness to this work. We want to take this opportunity to thank you who have prayed for us, given financially and given of your time to work as a volunteer at Eagle Ranch. Brenda and I are just a part of a team and we are encouraged by your love and concern for the men of Eagle Ranch.

As we embark on a new year we are prayerfully planning and preparing for the months ahead. We long for your prayers on our behalf. Please pray with us for God's wisdom and protection as we make daily decisions. We want to use wisely the time given; making a positive impact on the lives we are privileged to reach. We are excited to see what God has in store in 2010.

Many responded to the needs outlined in the last letter of 2009. Thank you so much! To date \$1500 was given toward the need of \$5000 for large end-of-the-year expenses such as taxes and insurances. Six hundred dollars was designated for the Building Project and three families joined in the Student Sponsorship Program for monthly support. We continue to pray and work toward completion of these projects and appreciate your prayers as well.

We have enclosed with this letter your 2009 giving receipt for tax purposes. I hope you will be encouraged to know that your gifts have allowed us the opportunity to concentrate on ministering to the students on a daily basis. Each moment we are able to spend with the men and each dollar you are able to give to this work has made an eternal investment in His Kingdom. It really is mind boggling that our Creator would allow us this privilege. We humbly acknowledge we are so unworthy but so thankful to know Him and to share His Good News with those around us.

God Bless you in 2010. May He find us faithful at His coming.
