January 2010

Dear Friends:

I want to thank God for a tremendous year that we had in 2009. We were so blessed with God's presence in every area of our lives and work. One of the biggest blessing is having the opportunity to serve Him through sharing the Gospel with so many people around the world! Last year we traveled to the countries of Guyana, Philippines, China, Italy, Ethiopia and into Cameroon, Africa. We had thousands of people saved and so many people wanting a church to go to. One of the hardest things that I face is not being able to meet all the demands of the new converts.

Please pray that I will be able to continue to start churches worldwide. Last year I was able to help start 12 churches around the world. I have received letters from these churches telling of people being saved and baptized and many new converts growing in the Lord! Many churches and individuals have helped me with this church-planting ministry. God has laid a great desire on my heart for me to do more than just see people saved. I've had to leave so many people behind in the past with so little materials for them to grow in the Lord.

I want to thank you for all that you have done for us this last year. I am looking forward to us magnifying the Lord together in 2010. Together we can make sure that the Gospel of Jesus Christ will be taken to those who haven't had an opportunity to hear a clear presentation of the Gospel.

Magnifying the Lord together:
