February 2010

Dear Pastor and Church Friends,

Thank you, thank you, thank you to all who thought about us around Christmas! Your cards, notes of encouragement, and gifts were a huge blessing.

I would like to apologize for not writing sooner! We are so excited about our new church plant as things begin to come together! Our first service will be May 23, 2010. We are currently waiting to hear from a realtor about a storefront property. The owner is a Christian and may rent us the property for well below market value!! This would be awesome! Please pray for this! Also there is a great church in Texas that is sending us hymnals. We have started printing material for our initial blitz of the area. We have 10,000 John and Romans on the way. Please pray for those that are driving and flying in from all over the country to help distribute material. If anyone is interested in coming individually or as a small group please call us for details. It would be a great blessing to have you come and help! Maybe God would speak to your heart about this needy mission field and direct you to help long term with this new exciting work.

There are still many items that need to be purchased prior to our start. I have mentioned this because a number of churches have asked what we need. We still need 50 KJV pew Bibles and many items for the nursery.

Please be in prayer for our new work and the difference we can make here in Colorado.

Sincerely in Christ,

Brother Lewis
