Dearly beloved in the LORD,

Loving greetings to you all in the most precious name of Jesus Christ our Lord.

Kindly bear with me for such a delayed letter which I should have written much earlier. However, I desire to hear from you as often as would be possible which will help me to know about your welfare and the ministry activities which will help me to be in prayer fellowship and share our burden with one another.

The Lord has been gracious with me and my fellow believers laboring in the local church activities. The Scripture verses found in I Cor. 1: 3 - 6 are of great comfort and encouragement. We greatly rejoice in the LORD as He enables us to be bold and press forward in the ministry that He has so graciously given to us. Please pray for me and the local believers in our fellowship that we might be found faithful and be good stewards in His vineyard.

Though physically I am weak due to PARKINSONS, the LORD has been keeping me fit to move about and be regular in my church attendance and also the office work as this is an additional burden of publishing a monthly magazine entitled "THE GLORIOUS HOPE" which is published with articles in English and Kannada which is our regional language. Every month we mail around 1000 copies and we are happy to tell you that many of them have come to the knowledge of salvation and many believer are strengthened. All praise be to God as we know that many believers round the globe uphold us and this ministry in their prayers.

My brother and sister in the LORD, I would like you to know that, God willing, I shall be turning 80 on the 8th of JANUARY 2009. I rejoice in the LORD. The LORD is faithful in every step of my life and strengthening me to be active in HIS vineyard. I wish to thank each one of you for your continued prayers and financial support which I receive through SOURCE OF LIGHT Ministries. The LORD's promise as in Mt.28:20 WHICH I EXPERIENCE \*EVERY DAY OF MY LIFE. This reminds me of a song.....

"Surely goodness and mercy shall follow me...all the days of my life."

Thank you all once again for your prayers and support.

With BEST WISHES OF CHRISTMAS AND THE BRIGHT NEW YEAR!

Yours in HIS ETERNAL BONDS,

Solomon B Peter
