Ramirez Praise and Prayer

First we pray!

February, 2010

ABOUT OUR FAMILY:

As summer arrived to our hemisphere, we were able to take a vacation as a family. We visited Adriana's parents in Uruguay, and enjoyed a great time with them plus the Uruguayan sun and beaches.

Visiting Adriana's hometown meant visiting with many relatives, Tito preaching in three churches, Annie going to kids camp, Alejandra going to teen's camp, Pablo preaching and Andrea organizing games in two youth meetings, Tito having another opportunity to witness to our next door neighbor, and Adriana visiting old friends.

Most of our vacation time our van was broken ...again! So we did a lot of walking.

LOOKING BACK TO DECEMBER:

December's highlight was Alejandra's 15th birthday party (like American "sweet 16") that was celebrated at our church "Centro Esperanza". We invited many of our contacts that became our friends through the years, and were surprised as seventy of them came and enjoyed Ale's testimony and the preaching of God's word one more time.

SUMMER MINISTRY:

As Pablo and Andrea finished their second year at Word of Life Institute of Argentina, they were assigned their summer ministries: Andrea went back to work at the W.O.L. Hotel in southern Argentina. Pablo and his classmate Oscar came to work in our "Centro Esperanza".

Since the soccer ministry with teenage boys was started last August, we had an average of 12-15 boys ages 13 to 18 coming every weekend.

The seed was scattered on the ground, and though we didn't know how, it sprouted and grew...(see Mark 4:26-29). God brought Pablo and Oscar for the harvest.

JJOY IN HEAVEN:

Jan 17th - After a guest speaker (Emilio) preached at Centro Esperanza, **Fernando** (16), **Ezequiel** (14) and **Lucas** (16), received Christ as their Saviour. Earlier that same day Pablo, Oscar and Emilio went to visit **Enrique** and **Ema**. They are a young couple who work in a city corner washing car windows. For a couple of years Tito stopped there every week and witnessed to them while they worked on his car.

Now they heard the message from Pablo and Oscar and opened their hearts. Both of them became God`s children that day.

Jan 31st - **Abraham** (in his sixties), has been our friend for six years. Since our co-workers arrived to Carlos Paz they have also been able to talk to him about his spiritual need. He attended our meetings for many years but had not made a decision.

This past month he had health problems and had a medical check-up. He was diagnosed with cancer, and so, confronted with eternity. Our co-worker Ivan led him to the Lord. The great news is that those results were not his...he is cancer free, but the Lord used the situation to have him take the step of giving his life to God!

Feb 1st - Pablo and Oscar visited Fernando and Ezequiel at their home and gave them a lesson about assurance of salvation. Their mother **Graciela** also sat, listened and decided to accepted Jesus as her personal Savior. She did it in front of her kids!

Feb 8-13 - We attended W.O.L. camp in Buenos Aires. Eleven of us had the blessing of enjoying a wonderful week. On the first night at camp **Juan** (15) and **Daniel** (15) accepted Christ. **Emiliano** (15) did the same on the camp fire.

It was also a time to re-consider our desire to consecrate our lives to our loving Father.

Feb 16th - Tito, Adriana and Oscar visited Graciela, Ezequiel and Fernando. When we arrived Graciela`s husband asked us: "What have you done to my wife? She has changed so much!" He listened, and by the time we left he was also a child of God!

Roberto prayed to accept Christ as his Savior in front of his wife and children.

Feb 21st - A good group of people came to the meeting last night and listened to the clear Gospel message. Some of them were parents of those who where saved recently. Please pray for their salvation also.

THANK YOU!

Thank you so much for your part in this harvest.

"The prayer of a righteous man is powerful and effective." James 5:16b

Yours in His service,
Tito, Adriana
